Bloomington, Indiana

## Financial Policy 2011

Thank you for choosing Summit Urology. Our entire team is committed to providing you with the best quality medical care and services. Please understand payment for our services, to you, is part of this treatment and care. Our primary concern is providing our patients quality medical care and treatment. Your insurance coverage arrangements are between you and your insurance carrier.

Please provide us all current insurance coverage information and your current home address and home and cell telephone number. If we do not receive a response from your insurance carrier within 15 days, you will receive a statement from our Insurance and Billing department, and you will need to contact your insurance carrier regarding payment. The balance due for medical services is your responsibility. If you have prior balance please contact our business office to make payment prior to your scheduled appointment.

Please remember you are responsible for your insurance co-payments, deductibles, and co-insurance on the day of your visit. We accept cash, personal checks, VISA, MasterCard, and Discovery Card as payment. We understand your insurance plan may have a high deductible which must be met for before the insurance will provide payment. Patient responsibility payment amounts are due at the time services. Please note we have a \$40.00 returned check fee. If we must bill you for two consecutive past due patient responsibility balance, there will be a \$40.00 charge added.

**No Insurance Coverage.** Payment is required at the time service. Please call our business office in advance for information:

### **Do I need a referral?**

If your health insurance plan requires an authorization, please call your primary care physician. Authorization is needed prior to your appointment.

---

### **Minor patients**

The parent/guardian/adult accompanying a minor child is responsible for payment. Any child over 18 is legally an adult and is responsible for services rendered.
